

Delft-based MSc Programmes

THE DELFT-BASED, 12-MONTH CURRICULUM OF THE MSc PROGRAMME IN SANITATION

The Delft-based, 12-month curriculum of the MSc Programme in Sanitation consists of 70 ECTS credit points and has a Taught Part and a Thesis Research Part.

The taught part has a modular structure, comprising 13 modules ranging from 1 to 6 weeks' duration. The individual thesis research, follows on completion of the taught programme, although, in order to avoid a 'cold start' and to guarantee sufficient time, students will be allocated a research topic and will start preparing for their individual research early on in the programme.

THE DELFT-BASED, 18-MONTH CURRICULA OF THE MSc PROGRAMMES

The Delft-based, 18-month curricula of the MSc Programmes consist of 106 ECTS credit points and have a Taught Part and a Thesis Research Part.

The one-year taught part, has a modular structure and after successful completion, you will do individual research for a six-month period. The research deals with a practical or theoretical problem and may be carried out in collaboration with an organization outside the Netherlands, for example in the home country. Research skills are also built up during the taught part.

SCHOLARSHIPS

Most scholarship programmes have a deadline which is much earlier than the deadline of our MSc Programmes. See: www.un-ihe.org/scholarships

APPLICATION

You can apply for admission to the MSc Programmes online at our website throughout the year, but make sure to apply well before the application deadline, so you will have time to make the financial arrangements and prepare for your studies at IHE Delft.

JOINT PROGRAMMES

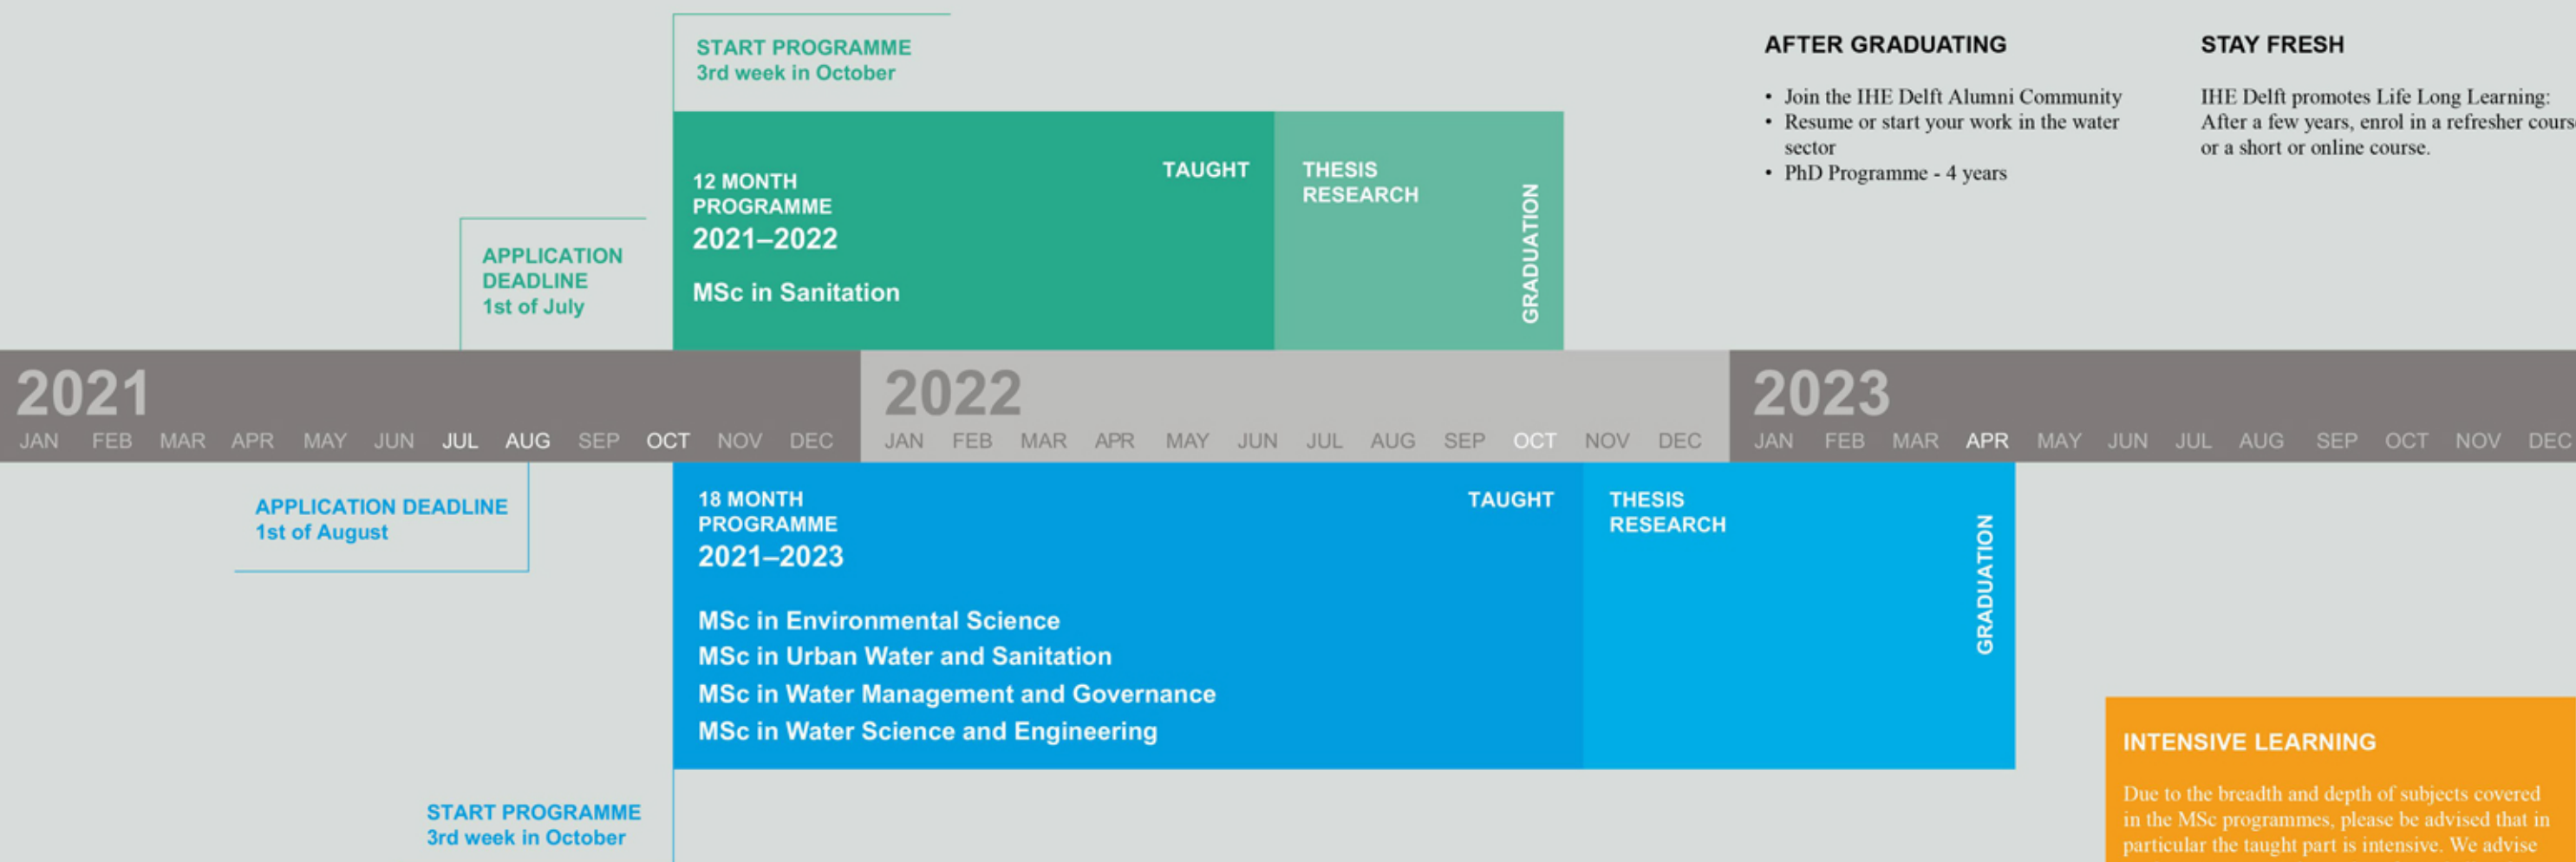

Our Joint Programmes have varying start and end dates and a different duration. See website for more information.

AFTER GRADUATING

- Join the IHE Delft Alumni Community
- Resume or start your work in the water sector
- PhD Programme - 4 years

STAY FRESH

IHE Delft promotes Life Long Learning: After a few years, enrol in a refresher course, or a short or online course.

INTENSIVE LEARNING

Due to the breadth and depth of subjects covered in the MSc programmes, please be advised that in particular the taught part is intensive. We advise students to prepare themselves for a challenging, but rewarding educational experience.
